

Fetu Ole Moana Tamapeau

WCC Pacific Advisory Group
Samoa Candidate

Election vote night
6.30pm Monday 28 March
Oceania Room Te Papa
Light refreshments available

Talofa!

I am a proud Aotearoa-born Samoan-Niuean passionate about mobilising our young Pacific people to have their say in the Windy City.

I acknowledge that I am able to do this because of our Pasifika People who have gone before us and thank them for enabling me to take this opportunity.

Pacific affairs, active governance and Pasifika leadership are factors woven throughout my previous life experiences.

My tertiary studies and media work experiences so far have been dedicated to representing and networking with our diverse Pacific communities both locally and nationally.

Working in the media industry I am aware of the issues that our young Pasifika people face.

I am also aware that there are many stories about our Pasifika people that are not being told.

As your representative, I will ensure that the voices of our young, creative and innovative Pasifika people are heard.

We are Aotearoa's fastest growing demographic, a growth pattern that will continue for the next five decades.

It is an imperative for us to be represented and involved in Council matters.

Many of our Pasifika brothers and sisters abroad do not have the opportunity to exercise their democratic rights.

Exercise your right to vote.

We must not be complacent about mobilising our growing young Pacific population to serve and create a better future for us all.

Soifua Lava, Fetu-ole-moana Teuila Tamapeau.
